Love me Forever

Verse 1:

Everytime I think of you...
You sweep me off my feet.
I'm fallin' so hard for you,
Everytime I feel my heart beat.

Chorus:

So kiss my lips,
Touch my face...
And hold me forever (forever)
Wrap me in your embrace!

Verse 2:

Make my dreams come true...
I'll fall in love with you.
Please don't say no,
I never wanna let you go.

Bridge:

Just say you'll be mine
Till the stars shine...
Baby, I need you!

Verse 3:

I'm feelin' crazy!
Crazy for you...
Just take my hand,
Let me fall in love with you!
