

# Anna Nalick, Shine

Oh the night makes you a star  
And it holds you cold in its arms  
You're the one to whom nobody verses "I love you"  
Unless you say it first  
So you lie there holding your breath  
And it's strange how soon you forget  
That you're like stars  
They only show up when it's dark  
'Cause they don't know their worth

And I think you need to stop following misery's lead  
Shine away, shine away, shine away  
Isn't it time you got over how fragile you are  
We're all waiting  
Waiting on your supernova  
'Cause that's who you are  
And you've only begun to shine

There are times when the poets and pornstars align and  
You won't know who to believe in  
Well that's a good time to be leavin'  
And the past knocks on your door  
And throws stones at your window at 4 in the morning  
Well maybe he thinks it's romantic  
He's crazy but you knew that before

And I think you need to stop following misery's lead  
Shine away, Shine away, Shine away  
Isn't it time you got over how fragile you are  
We're all waiting  
Waiting on your supernova  
'Cause that's who you are  
And you've only begun to shine  
Yeah you've only begun to shine

Won't you shine, shine, shine, shine over shadow  
Shine, shine, shine, shine over shadow  
Shine, shine, shine, shine over...

And I think you need to stop following misery's lead  
Shine away, Shine away, Shine away  
Isn't it time you got over how fragile you are  
We're all waiting  
Waiting on your supernova  
'Cause that's who you are  
And you've only begun to shine  
Yeah you've only begun to shine  
Yeah you've only begun to shine
