## Anna Tsuchiya, Dance With Me

I feel so good tonight My body is burning now The party just begun The rhythm's gonna start Everybody, hurry up You don't need to be shy Oh gosh you caught my eyes I don't care who you are Oh you're so hot Baby, is this love or illusion Be with me I want to spend this night with you Come on, come on Just dance with me I stuck up to you Crawling up my foot Your milk makes me melt down Let's do it, do it Now I want to eat you Baby, baby, sleep with me Baby, boy come to mommy I'm coming, I'm coming I have nobody on my mind Forget everything and dance Feel my heartbeat and melt down Take me to your haven Give me your enegy Please just watch me burn out I really want to be with you Time goes by so slowly Take your time I'm undressed so baby, do it Touch me now Try to kiss & amp; hold me down Oh come on, come on and dance with me I stuck up to you Spit it on my foot Hit me one more time And do it, do it Now I want to eat you Baby, baby, sleep with me Baby, boy come to mommy I'm coming, I'm coming Who, who, who Who are you boy? Don't stop touching No, no, no No I can't stop Hit me harder Chu Chu Chu I want you more CLose to me Baby just dance with me I stuck up to you Crawling up my foot Your milk makes me melt down Let's do it, do it Now I want to eat you Baby, baby, sleep with me Baby, boy come to mommy I'm coming, I'm coming I stuck up to you Spit it on my foot

Hit me one more time And do it, do it Now I want to eat you Baby, baby, sleep with me Baby, boy come to mommy I'm coming, I'm coming
