

# Anna Vissi, No Tomorrow

Don't make me cry  
please don't say goodbye  
Let's both pretend  
Everything is alright  
give me your lips  
baby hold my tight  
say you will stay  
always by my side

don't say you have to go  
I don't wanna know oh no no

I wanna love you like there's no tomorrow  
let's make this night last the whole life ahead  
I wanna love you like there's no tomorrow  
(Ela moro mou ke pes s' agapo)

Set your heart free  
love has no regret  
ride every moment  
as far as it gets  
give me your lips  
baby hold my tight  
say you will stay  
always by my side

repeat chorus

ohh the end of the world  
the end of the world
