

# Anne-Marie, 2002

I will always remember  
the day you kissed my lips  
light as a feather  
and you went just like this

no, it's never been better  
than the summer  
of 2002

we were only 11  
but acting like grown-ups  
like we are in the present  
drinking from plastic cups  
singing "love is forever and ever"  
well, I guess  
that was true

dancing on the hood  
in the middle of the wood  
on an old Mustang  
where we sang  
songs with all our childhood friends  
and it went like this say  
ups I got 99 problems  
singing bye, bye, . bye  
hold up  
if you wanna go  
and take a ride with me  
better hit my baby one more time

paint a pictures  
for you and me  
on the days when we were young  
ups, singing at the top of both our lungs

now we're under the covers  
fast forward to 18  
we are more than lovers  
we are all we need

when we holding each other  
I'm, taken back  
to 2002

dancing on the hood  
in the middle of the wood  
on an old Mustang  
where we sang  
songs with all our childhood friends  
and it went like this say

ups I got 99 problems  
singing bye, bye, bye  
hold up  
if you wanna go  
and take a ride with me  
better hit my baby one more time  
paint a pictures  
for you and me  
on the days when we were young  
ups, singing at the top of both our lungs  
on the day we fell in love x5
