

Anne-Marie, Ain't Nobody

Captured effortlessly
That's the way it was
Happened so naturally
I did not know it was love
The next thing I felt was you
Holding me close
What was I gonna do?
I let myself go

And now we're flyin' through the stars
I hope this night will last forever

I've been waitin' for you
It's been so long
I knew just what I would do
When I heard your song
You filled my heart with your bliss
Ya gave me freedom
You knew I could not resist
I needed someone

And now we're flyin' through the stars
I hope this night will last forever
Oh oh oh oh

Ain't nobody
Love me better
Makes me happy
Makes me feel this way
Ain't nobody
Love me better than you

I wait for night time to come
To bring you to me
I can't believe I'm the one
I was so lonely
I feel like no one could feel
I must be dreamin'
I want this dream to be real
I need this feelin'

I make my wish upon a star
And hope this night will last forever
Oh oh oh oh

Ain't nobody
Love me better
Makes me happy
Makes me feel this way
Ain't nobody
Love me better than you

At first you put your arms around me
And then you put your charms around me
I can't resist this sweet surrender
On a night so warm and tender

We stare into each other's eyes
And what we see is no surprise
Got a feeling most with treasure
And a love so deep we cannot measure

Ain't nobody
Love me better

Makes me happy
So happy
Makes me feel this way
Ain't nobody
Love me better than you
