

# Anne-Marie, Boy

Oh geez, you tease, you're pretty much everything that I need  
Good flirt, nice shirt, I can feel I'm gonna fall head first  
Golden skin, cute grin, saying all the right things  
And then you hit me from my number, babe  
But then you go and call me mate, what?

All the things I like, but I guess I have to say goodbye  
Until I figure it all

Are you into me boy or are you into someone else?  
Like maybe that boy, cause you know I never can tell, ooh boy  
I really wanna be your girl so I gotta know  
Cause you're hanging around with him bare

Oooah oooah, what you want boy?  
Oooah oooah

See you looking at me, it's kinda like you're checkin' my clothes  
Don't care what's underneath  
Just wanna know where I got them from, hmm  
Mistook that look, I should've known it was all too good  
To be true, me and you, oh were a fool

Are you into me boy or are you into someone else?  
Like maybe that boy, cause you know I never can tell, ooh boy  
I really wanna be your girl so I gotta know  
Cause you're hanging around with him bare

Oooah oooah, what you want boy?  
Oooah oooah, did I get you wrong?  
Oooah oooah, what you want boy?  
Oooah oooah

I was blinded took me so long to see  
You ain't interested in knowing like me  
All this time thinking how good this could be  
I just couldn't believe that you were

You weren't into me boy, you were into someone else  
Oh and it's that boy, but you know I never can tell

Oooh boy, totally wanted to be your girl  
And now I know, know, know, know, know  
Why you're hanging around with him bare

Oooah oooah, what you want boy?  
Oooah oooah, did I get you wrong?  
Oooah oooah, what you want boy?  
Oooah oooah, and that's it
