## Anne-Marie, Pizza

I know I shouldn't but I really wanna check your phone this Eve I said I wouldn't but I got this strong feeling in my belly, ah Down and down and down I scroll, it don't take long to see A text from Pizza Hut saying "I can't wait to see you, baby", yo

I was gonna take you home to meet my mama To think that I'd never know if I hadn't looked through your phone I was gonna take you home to meet my papa Now I think it's best I leave Leave you with your stuffed crust cheese
