

Anne-Marie, Some People

[Intro]

She don't, she don't, she don't, she don't
She don't want him, she don't want him anymore
She don't, she don't, she don't, she don't
She don't want him, she don't want him anymore

[Verse 1]

Don't know why I try
Don't know why I wake up sometimes
In the middle of the night, I'll wait for you
You don't even call me up or text me back
Don't give a fuck
I don't know why I try
I cry, I cry, I cry my eyes out
Mmm, so I just wait
Why the wait?
I give it all
And you just take

[Chorus]

Some people act single even when they're in love
She don't, she don't
Some people forgetful, even when they're in love
Even when they're in love

[Verse 2]

Usually much more confident than I am with you
I don't know why I take the things I do
Try to make conversation, but talking loops
These loops, these loops, these loops
Wish you wouldn't lie to me
When you're here lying with me
I just want something deeper
Than what you think is deep

[Chorus]

Some people act single even when they're in love, mmm
She don't, she don't
Some people forgetful, even when they're in love
Even when they're in love

[Bridge]

Love, love
Love, love
Love, love
Even when they're in love
She don't, she don't, she don't, she don't
She don't want him, she don't want him anymore
She don't, she don't, she don't, she don't
She don't want him, she don't want him anymore

[Chorus]

Some people act single even when they're in love, mmm
She don't, she don't
Some people forgetful, even when they're in love
Even when they're in love
