

# Anne Murray, Canadian Sunset

Once I was alone  
So lonely and then  
You came, out of nowhere  
Like the sun up from the hills  
Cold, cold was the wind  
Warm, warm were your lips  
Out there, on that ski trail  
Where your kiss filled me with [Incomprehensible]  
A weekend in Canada, a change of scene  
Was more than I had bargained for  
And then I discovered you and in your eyes  
I found the love that I couldn't ignore  
Down, down came the sun  
Fast, fast beat my heart  
I knew when that sun set  
From that day, we'd never part  
We'd never part
