Anne Murray, Could I Have This Dance

I'll always remember the song they were playin' The first time we danced and I knew As we swayed to the music and held to each other I fell in love with you Could I have this dance for the rest of my life? Would you be my partner every night? When we're together, it feels so right Could I have this dance for the rest of my life? I'll always remember that magic moment When I held you close to me As we moved together, I knew forever You're all I'll ever need Could I have this dance for the rest of my life? Would you be my partner every night? When we're together, it feels so right Could I have this dance for the rest of my life? Could I have this dance for the rest of my life? Would you be my partner every night? When we're together, it feels so right Could I have this dance for the rest of my life?
