

Anne Murray, Make Love to Me

Take me in your arms and never let me go
Whisper to me softly while the moon is low
Hold me close and tell me what I want to know
Say it to me gently, let the sweet talk flow
Come a little closer, make love to me
Kiss me once again before we say goodnight
Take me in your lovin' arms and squeeze me tight
Put me in a mood so I can dream all night
Everybody's sleepin' so it's quite all right
Come a little closer, make love to me
When your near, so help me, dear
Chills run up my spine
Don't you know, I love you so
I won't be happy till you're mine
When I'm in your arms, you give my heart a treat
Everything about you is so doggone sweet
Every time we kiss you, make my life complete
Baby doll, you know, you swept me off my feet
Now's the time to tell you, make love to me
When I'm in your arms, you give my heart a treat
Everything about you is so doggone sweet
Every time we kiss you, make my life complete
Baby doll, you know, you swept me off my feet
Now's the time to tell you, "Hey baby, make love to me"
