Anne Murray, Make Love to Me

Take me in your arms and never let me go Whisper to me softly while the moon is low Hold me close and tell me what I want to know Say it to me gently, let the sweet talk flow Come a little closer, make love to me Kiss me once again before we say goodnight Take me in your lovin' arms and squeeze me tight Put me in a mood so I can dream all night Everybody's sleepin' so it's quite all right Come a little closer, make love to me When your near, so help me, dear Chills run up my spine Don't you know, I love you so I won't be happy till you're mine When I'm in your arms, you give my heart a treat Everything about you is so doggone sweet Every time we kiss you, make my life complete Baby doll, you know, you swept me off my feet Now's the time to tell you, make love to me When I'm in your arms, you give my heart a treat Everything about you is so doggone sweet Every time we kiss you, make my life complete Baby doll, you know, you swept me off my feet Now's the time to tell you, " Hey baby, make love to me"
