## Anne Murray, When I Fall In Love

When I fall in love it will be forever or I'll never fall in love In a restless world like this is love is ended before it's begun And too many moonlight kisses seem to cool in the warmth of the sun When I give my heart it will be completely or I'll never give my heart And the moment I can feel that you feel that way too Is when I'll fall in love with you When I give my heart it will be completely or I'll never give my heart And the moment I can feel that you feel that way too Is when I fall in love, when I fall in love with you
