Sexy love

I know your kind, I know your score

One foot in sea and one on shore

I see you now, I feel you now

And I just want you more and more

Must be love

Sexy love

Oh, diorific plastic shine

Oh, won't you kiss these lips of mine?

I see you now, I feel you now

Oh, honey, won't you be so kind

Must be love

Sexy love

All this lifetime
