

ANOHNI, PARADISE

Paradise
World without end
Hopelessness
Sinks into the earth
Crying Life
Kaleidoscope
Hopelessness
The shifting beauty

My mother's love
Her gentle touch
My father's hand
Rests on my throat
Hopelessness
I'm here, not here
As a point
of Consciousness

Staring at myself
I feel giant and trapped
Seemingly
Without escape
I'm stuffed inside
My eternity
I'm here, not here
As a point of consciousness
