Label me a threat to society, but I ain't quitin  
Thug life motherfucker ain't no bull shittin

Collecting mail on these broke bitches  
Slanging that game  
Now shit done changed  
It ain't the the same  
I ain't lyin niggas are dyin  
Three strikes have you motherfuckers flyin  
In the penatentary or in the cemetary  
Gettin high no need to worry  
Last year niggas knockin up the block and in between shots  
Pumpin tapes from that nigga Breed and Pac  
This year bringin you the fix

Including Ant Banks in the mix  
We're sure to get rich  
Still I ride.

\*Chorus\*

MC Breed:

I'm a cold-hearted fool  
I mean a fool at heart, head strong  
and I won't be headed home if he falls apart  
Conatact niggas like a part time  
When I ride the beat  
Ain't no way to hide from the darkside  
Man of many mens till the very end  
and blend in and change my iden  
Just to mix up with the game  
They know me by the Breed and they don't know it's my last name  
It's mind over matter  
I don't mind, you don't matter  
Pull a glock and watch the whole block scatter  
and we can have us a gak to gak talk  
Do it old style and do a back to back walk  
Count to ten and say goodbye to your friends  
and we can put the bull shit to an end  
I figure if he plays around he lays around  
and he's a motherfucker ?????? calls a corner when I'm around  
Bodies are buried and found all around  
and parish and charish and thoughts just to be true  
Punk, fellas behave ya and it just might save ya  
So guard your girl and pickup your pistol  
cause you can't get wit Breed the weed head lyrical nit wit  
The shit won't change as long as I'm alive  
I gotta survive and keep it tight

\*Chorus\*
