

# Anthony Callea, Best I Can Be

Quiet and still, I watch you sleep  
And I wonder about the man that fills your dreams  
Does he adore you and protect you  
Is he your lover and your friend  
Will he care for you, just love you until the end  
When I'm with you I know within  
When I found you my life began  
There's something that I can't deny  
My heart won't let me lie

[Chorus:]

What does it mean to be a man  
To give you love that's all I can  
Cos all I wanna try to do  
Is be the best man that I can be for you  
The image of you rests on my lips  
Your touch, your smile more than I can wish  
Do you know what's meant to be

Do you see what I can see  
Do you know what's in my dreams  
My heart won't let me lie

[Chorus]

If only I could find the words to tell you  
I know I've made mistakes but I know I can change  
And here I stand before you  
I cherish, adore you  
I wanna prove I can be a better man  
Quiet and still I hear you breathe

[Chorus]

To be the best man,  
To give you love that's all I can do  
Is all I wanna try for you  
Is be the best man I can be for you
