When I Dream At Night

i have been in love and been alone  
i have traveled over many miles to find a home  
there's that little place inside of me  
that i never thought could take control of everything  
but now i just spend all my time with anyone  
who makes me feel the way she does

[chorus:]

'cause i only feel alive when i dream at night  
even though she's not real it's all right  
'cause i only feel alive when i dream at night  
every move she makes holds my eyes  
and i fall for her every time

i've so many things i want to say  
i'll be ready when the perfect moment comes my way  
i had never known what's right for me  
till the night she opened up my heart and set it free  
but now i just spend all my time with anyone  
who makes me feel the way she does

[repeat chorus]

now i just spend all my time with anyone  
who makes me feel the way she does

[repeat chorus]
