

Anthony Marc, When I Dream At Night

Anthony Marc

Marc Anthony

When I Dream At Night

i have been in love and been alone
i have traveled over many miles to find a home
there's that little place inside of me
that i never thought could take control of everything
but now i just spend all my time with anyone
who makes me feel the way she does

[chorus:]

'cause i only feel alive when i dream at night
even though she's not real it's all right
'cause i only feel alive when i dream at night
every move she makes holds my eyes
and i fall for her every time

i've so many things i want to say
i'll be ready when the perfect moment comes my way
i had never known what's right for me
till the night she opened up my heart and set it free
but now i just spend all my time with anyone
who makes me feel the way she does

[repeat chorus]

now i just spend all my time with anyone
who makes me feel the way she does

[repeat chorus]
