

Anti-Nowhere League, Nowhere

Anti-Nowhere League

Miscellaneous

Nowhere

Nowhere man, nowhere man

You laugh at things you don't understand

Nowhere man, nowhere man

Wash my blood from your feeble hands

And even though your trying hard

To make a better life

All you do is turn away. sharpen up your knives

Nowhere man, nowhere man,

Your happy as a pig in sand

Nowhere man, nowhere man

You glut yourself on the fat of the land

Climbing up your ladder high

One step at a time

Treading on your fellow man
