

Anybody Killa, U Aint No Killa

I'm as crazy as I wanna be
Ain't no stoppin me
Bucc wild tearin up the streets in the D
Jus a native wit some war paint actin a fool and
Some of y'all be doin the same things too
Smokin weed like it's free
And first to kill a forty
Only one to shoot a pistol in the middle of aprty
Hangin on the blocc without a clue wat to do and
Some of y'all be doin the same things too
I'm not sayin that we no good
Just a little abnormal
Undergronud is where we lay
Maintstream is too formal
I'm learning things they don't teach in school and
Some of y'all be doing the same things too
If you do what I do
And I do what you do
Then wouldn't that kinda make us all the same
If oyu do what I do
And I do what you do
Then wouldn't that kinda make us all the same
Waitin for the right time
Patient like a snake
Slither to ur enemy
Then show his ass some hate
This is jus somethin that I like to do and
Some of ya'll be doing hte same thing too
Always down wit a barbeque
Drinkin brew wit the crew
Up til the sun come
Way past curfew
Talkin bout things that I wanna pursue and
Some of y'all be doing the same things too
Never sit and argue you
Squash it with my tennis shoe
Kung fu a muh fuccas head into fondu
That's how it is and I'll never improve and
Some of y'all be doin the same things too
Chorus
I prefer jager bombs instead of absolute
But I'd rather have a blunt paccad wit purple or blue
Red skin wit the hatchet runnin lookin confused and
Some of y'all be doing the same things too
Ever since I was a youth
In pursuit to amuse
Crashin ave I cruise to promote my news
Did everything I could to make my name break through and
Some of y'all be doin the same things too
Always showin up late cuz I had to finish smokin
You kno how the weed have you in slow motion
Thank god I'm not alone cuz it wouldn't be cool
I'm so glad y'all be doin the same things too
Chorus
