Apartment 26, 88

Accumulate into one
The second half has begun
And I'm not the judge.
Innocent are hung
Remain unsung

And I hold a grudge.

Take a stab in the dark

And then it comes as a shock

Finger on the pulse.

Everything that can

Happens to the man;

See the mannequin smile.

When I am running out

I am running out.

I am running out.

Switch the moon and the sun

Shield and the gun

Clip after clip.

I'd love to stay and watch

Make mine what you clutch;

Empire slips.

The weight is too much to hold

Excuses old

I realize.

Everything that can

Happens to the man

See the mannequin smile.

You don't get it like I get it. (you don't get it) like I do.

You don't get it like I get it. (you don't get it) like I do.

When I am running out

I am running out.

I am running out.

Empire slips.

Excuses old

I realize.

Everything that can

Happens to the man

See the mannequin smile.

When I am running out

I am running out.

I am running out.
