

apl.de.ap, 2 Proud - feat. Sandara Park

Calling 'cause I miss ya,
Hold on wait a minute,
Baby, Listen,
I don't wanna wait, no way,
Girl, don't blame me if things change,
Things are getting crazy,
Show me if you're ready, ready, ready.
I don't wanna Facetime,
I just want your waistline,
All for me.

And I don't wanna be 2 proud,
Pull up and come see me now,
I don't wanna be,
Second on the team,
I'm winning when you around.
And I don't wanna waste no time,
We should be side by side,
And I don't wanna be,
Second on the team,
So girl tell me now.

What I gotta say?
What I gotta do to show?
Do we gotta move or take things slow?

'Cause I want you to work the middle,
Grind a little,
Tell me who it's for,
Baby just touch a little,
Drink a little,
We should just get close,
Baby just work the middle,
Grind a little,
Work the middle,
Grind a little,
SANDARA PARK:
Work the middle,
Grind a little,
Tell me who it's for.

I don't wanna rush it now, (mmm)
Maybe this could be something,
Show me a little something baby,
I'll leave it up to you,
If we should take things slow.

Ride the wave you know, (ahhha)
Won't find any cameras where we go,
We can skip the Facetime,
Take it straight to playtime,
What you need.

So tell me baby,
Am I 2 proud,
I pull up and come see you now,
You know that I'm a be,
The only on the team,
We winning 'cause you're around.
And I don't wanna waste no time,
We should be side by side,
You know that I'm a be,
The only on the team,
We winning 'cause I'm around.

BOTH:
What I gotta say?
What I gotta do to show?
Do we gotta move or take things slow?

'Cause I want you to work the middle,
Grind a little,
Tell me who it's for,
Baby just touch a little,
Drink a little,
We should just get close,
Baby just work the middle,
Grind a little,
Work the middle,
Grind a little,
SANDARA PARK:
Work the middle,
Grind a little,
Tell me who it's for.

APL:
Do you wanna baby,
I know it sounds crazy, crazy, crazy,
We should talk about how we,
Could go deeper,
Don't you leave,
It should be a little easy,
Come get it if you're ready, ready, ready,
I don't wanna waste time,
Filling up the space where you should be.

BOTH:
What I gotta say?
What I gotta do to show?
Do we gotta move or take things slow?

'Cause I want you to work the middle,
Grind a little,
Tell me who it's for,
Baby just touch a little,
Drink a little,
We should just get close,
Baby just work the middle,
Grind a little,
Work the middle,
Grind a little,
SANDARA PARK:
Work the middle,
Grind a little,
Tell me who it's for,
I wanna know.
