

# Apocalyptica, Not strong enough

I'm not strong enough to stay away  
Can't run from you  
I just run back to you  
Like a moth I'm drowning through your flame  
Say my name, but it's not the same  
You look in my eyes, I'm stripped of my pride  
And my soul surrenders and you bring my heart to its knees  
And it's killin' me when you're away  
And I wanna leave, and I wanna stay  
I'm so confused, so hard to choose  
Between the pleasure and the pain  
And I know it's wrong, and I know it's right  
Even if I try to win the fight  
My heart would overrule my mind  
And I'm not strong enough to stay away  
I'm not strong enough to stay away  
What can I do  
I would die without you  
In your presence my heart knows no shame  
I'm not to blame  
'Cause you bring my heart to its knees  
And it's killin' me when you're away  
And I wanna leave, and I wanna stay  
I'm so confused, so hard to choose  
Between the pleasure and the pain  
And I know it's wrong, and I know it's right  
Even if I try to win the fight  
My heart would overrule my mind  
And I'm not strong enough to stay away  
There's nothing I can do  
My heart is chained to you  
And I can't get free  
Look what this love done to me  
And it's killin' me when you're away  
And I wanna leave, and I wanna stay  
I'm so confused, so hard to choose  
Between the pleasure and the pain  
And I know it's wrong, and I know it's right  
Even if I try to win the fight  
My heart would overrule my mind  
And I'm not strong enough to stay away  
Not strong enough, strong enough  
Not strong enough, strong enough to stay away  
Strong enough, strong enough  
Not strong enough, strong enough  
And I'm not strong enough to stay away
