

# ApologetiX, Psum 14

well sure my movie part it won't be played by Al Pacino  
Well, I hope you're not thinking I'm exactly Mr. Clean, though  
As a kid, was in sin, and no one knew it but me  
And my Olan Mills portrait was Dorian Gray  
Well, I know I'm not the one you thought you knew back in high school  
You'd never know, I'd never show, I just was a shy dude  
But let me set you straight, 'cause all of us need saved  
My sin was always here but that's erased

I don't want to praise my crimes  
Because I know that that would be impropriety  
I'm just a ball of slime  
So come and get forgiven just like He forgave me -- act now

Read God's truth in  
Romans and Psalms we learn that all people fall  
But what would you expect knowing David and Paul  
Have you met 'em? Them fellas know how we need grace  
They did bad deeds only God could erase  
'Cause David had an affair and murdered, he still repented  
Turning Paul around it took devine intervention  
Acts 9 it will confirm he messed up every church  
He sinned till Jesus told him, "Hey, that hurts!"

I don't want to list my crimes  
Because I know the fragility of my peity  
And I recall this this line  
In chapter 1 verse 15 of First Timothy -- that's how

Don't count on me to live with no sin  
Don't count on me -- I'll do it again  
Don't count on me -- but the point you're missin'  
Don't count on me -- is I'm forgiven

We're all just no good and we're nailed without Christ  
Act fast and He won't get upset about nothin'  
You can stand around and scorn and scoff like Waldorf the Muppet  
But you can't blame anybody; ask Jimmy Buffet  
'Cause if you take no blame you'll be really on the hook  
You're on the Ten Most Wanted in the devil's own book  
That's why Psalm number 14:3 is important  
Because it says we're all sinners addin' up more sins

I don't want to praise my crimes  
Because I know that that would be impropriety  
I'm just a ball of slime  
So come and get forgiven just like He forgave me -- act now  
(list my crimes again) fragility of my peity  
(list my crimes again) 15 of First Timothy -- that's how
