Don't Push Me Around

Well you can call me a punk, i like to scrap when i'm drunk  
And i'm just likely to cause a scene  
I got an old cadillac, i like to sit in the back  
And flog the dog between the covers of sex-teen

Hey man, i said now don't push me around  
Hey man, i'm eighteen and i've been around

I'm gonna buy me some wine, i'm gonna have a good time  
And don't you tell me what i shouldn't do  
Cause you just don't understand, i'm not a boy, i'm a man  
But you don't wanna hear from nothin', now do you

Hey man, i said now don't push me around  
Hey man, i'm eighteen and i've been around

Well you can tell me i'm right, and you can tell me i'm wrong  
But i don't really care what you say  
I'm gonna drive into town with the top rolled down  
And find me someone who's been feelin' the same way  
Been pushed around, i've been taken by clowns  
They're makin' millions just for fun, what a bad break  
And who's to know if the show was a show  
With his picture on the cover of newsweek

Now hey man, i said don't push me around  
Hey man, i'm eighteen and i've been around  
Hey man, i said now don't push me around  
Hey man, i'm eighteen and i've been around
