

Aqua, Good Guys

You dream a dream
but you never wake up
Your so afraid
that the dream is over

Open your eyes and you'll see
Daydreaming wont conquer me
no it wont conquer me

Cause only the good guys can get -
what their coming for
And all of the dreamers must take what's apart
Only the good guys receive
what they came here for
And all you dreamers
will leave with a broken heart

Reality
you better face it
Your blood is red
one bite - you'll taste it

Open your eyes and you'll see
Daydreaming wont concur me
no it wont concur me

Only the good guys can get
what their coming for
All of the dreamer must take what's apart
Only the good guys receive
what they came here for
And all you dreamers
will leave with a broken heart
