Pro (your) Life

Now you always say terminated, i never hear you say aborted.

You just have to accept mistakes happen and sometimes

They have to be sorted.

You know i'd love it - a little us would be sweet

- but don't take that from your pro-life pal, she doesn't even eat meat.

It's as simple as this - the time's not right.

You need a new job and some sleep tonight.
