

Arash, DOOSET DARAM (feat. Helena)

I remember when I met you
you're walking in the rain
and the autumn leaves were falling
only you can kiss the pain
only you can kiss the pain

har shab too khateratam
donbale rade patam
beri harjaie donya
pa be patam
are pa be patam

Dooset Daram
Dooset Daram
Dooset Daram
bemoon ba man
only you can kiss the pain
it's driving me insane
when the clouds turn into rain
Dooset Daram
Dooset Daram
Dooset Daram
bemoon ba man
only you can kiss the pain
it's driving me insane
it's driving me insane

you disappeared into the darkness
but our memory lives on
I dream there's no tomorrow
I wake up and you're gone
I wake up and you're gone

bargard nazar dobare
az Chesham baron bebare
bia ke ghalbe tanham
paize bi bahare
paize bi bahare

Dooset Daram
Dooset Daram
Dooset Daram
bemoon ba man
only you can kiss the pain
it's driving me insane
when the clouds turn into rain
Dooset Daram
Dooset Daram
Dooset Daram
bemoon ba man
only you can kiss the pain
it's driving me insane
it's driving me insane
