

Arcade Fire, The Well And The Lighthouse

I'm serving time
all for a crime I did commit.
You want the truth?
You know I'd do it all again.
Left for dead,
heaven is only in my head!

I heard a voice
calling from down inside a well.
"See that silver shine?"
she said to come claim what was mine.
So down I fell,
down into the water black.
My prison cell,
only the moon was shining back!

This fall seemed lost, when I weighted the cost
and chose my crime
now it's mine all mine!

I heard the voice
calling from just outside the well.
She said, "You fool, now that
you know your end is near;
you always fall
for what you desire
or what you fear!"

Resurrected
living in a lighthouse,
If we leave them ships are gonna wreck.
Resurrected
living in a lighthouse,
The lions and the lambs ain't sleeping yet.

Resurrected
living in a lighthouse,
Can you see the front side? Ships are gonna wreck.
Resurrected
living in a lighthouse,
The lions and the lambs ain't sleeping yet.
