Dreamland (Part One)

some times the truth seems so far away  
and every moment seems like another day  
and every raindrop is another tear  
I know in my heart there's a place for us

Chorus:

So please take me away  
to where I belong--  
Dreamlands, dreamlands

It seems just like yesterday  
that you could hold my hand  
How I long for that time again  
and i miss you, more each day

Chorus:

So please take me away  
to where I belong--  
Dreamlands, dreamlands

Spoken:

Mi vida entera, te la dedico  
Aunque abandonado, mi alma te grita  
soy siempre, sin ti

Bridge and fade:

Dreamland, dreamland,  
dreamlands...mmmmm...

Dreamlands
