Black & Blue  
I will always love you  
Black & Blue  
Black & Blue  
I will always love you  
I will always love you

Coming pale  
Cold and pain  
I will always love you  
.. around  
Coming still  
I will always need you

This is how to love you is!  
Regain it  
This is how to love you is!  
Regain it

White \$ Grey  
In a day  
I will always need  
Bleeding out  
Bleeding out  
I will always need

Dust and bone  
Hold the stone  
I will always love  
Black & Blue
