

Archive, Goodbye

I'm thinking of you
In my sleep
They're not good thoughts
The worst kind of sad
I've noticed things
Cannot be repaired
When I wake up
I'll be in despair
Cause I know I've got to say
I know I've got to say
Goodbye
Baby goodbye
Goodbye
Baby goodbye
You're my sweetheart
Goodbye
You're my sweetest
Goodbye
I know I'm gonna look
So so so so bad
But there's no easier way
For me to have to walk away
But I don't wanna hear this no more
And I don't wanna feel this no more
And I don't wanna see this no more
And I don't wanna experience this no more
Cause I know I've got to say
I know I've got to say
Goodbye
Baby goodbye
Goodbye
Baby goodbye
You're my sweetheart
Goodbye
You're my sweetest
Goodbye
Goodbye
Goodbye
Goodbye (you're my sweetest)
