Please don't run  
I didn't mean to spoil your fun  
Don't run away  
Oh darling  
I wanna spoil your death  
Oh darling  
Please don't go away  
I don't want to make you cry  
I didn't want to make you die  
I hate to see, to see a cry  
Oh darling  
You don't have to change  
Oh darling  
Please don't run away  
Please don't run away  
Please don't run away  
Oh darling  
I don't wanna spoil your death  
Oh darling  
Please don't run away  
Oh darling  
I don't wanna spoil your death  
Oh darling  
I don't wanna spoil your death  
Oh darling  
Please don't go away
