

# Arctic Monkeys, Riot Van

Up rolls the riot van  
And sparks excitement in the boys  
But the policemen look annoyed  
Perhaps these are ones they should avoid

They got a chase last night from men with truncheons dressed in hats  
They didn't do that much wrong, still ran away though for the laugh  
Just for the laugh

"Please just stop talking  
'Cause they won't find us if you do  
Oh those silly boys in blue  
Well they won't catch me and you"

"Have you been drinking son? You don't look old enough to me"  
"I'm sorry officer, is there a certain age you're supposed to be?  
'Cause nobody told me"

And up rolls the riot van  
And these lads just wind the coppers up  
Ask why they don't catch proper crooks  
Get their address and their names took  
But they couldn't care less

He got thrown in the riot van  
And all the coppers kicked him in  
And there was no way he could win  
Just had to take it on the chin
