

Arcwelder, Down To The Wire

(music arcwelder/words w. graber)

Sign - like the sign of things to come down
To the wire
And if I... minded half of Let Down
To the wire

[chorus]

I have no fear
I have no pride
I have no right
I do not mind
I was the one who lost this time
I was the one who saw the lie
I have no drive
I have no hate
I do not mind
I was the one who lost this time
And it's like everybody wants a peace that I.. can't

Give - what you wanted to give away for free
Down to the wire
And say - what you wanted to hear next time around
Down to the wire

[chorus]

I have no hate
I have no hate
Down to the wire
