Aretha Franklin, Can't Take My Eyes Off You

You're just to good to be true Can't take my eyes off you You'd be like heaven to touch Oh, I want to hold you so much At long last love has arrived And I thank God I'm alive You're just to good to be true Can't take my eyes off you pardon the way that i stare there's nothin' else to compare the thought of you leaves me weak there are words left to speak But if you feel like I feel Oh, I did you let me know that it's real You're just to good to be true Can't take my eyes off you I love you baby if it's quite all right I need you baby to warm a lonely night I love you baby trust in me when I say Oh, pretty baby don't bring me down, I pray Oh, pretty baby, now that I found you stay And let me love you baby, let me love you You're just to good to be true Can't take my eyes off you

......

I love you baby and if it's quite all right I need you baby to warm a lonely night I love you baby, trust in me when I say
