

# Ariana Grande, 34+35

You might think i am crazy  
the way i've been craving  
If i put it  
Quite plainly  
Just give me tchem babies

So what you doing tonight  
Better say doing you right  
Watching movies  
But i ain't seen a thing tonight

I don't wanna keep you up  
But show me can you keep it up  
Cause then i'll have to keep you up  
Shit maybe i'mma keep you up, boy

I been drinking coffee  
And i been eating healthy  
You know i keep it squeaky  
Saving up my Energy

Can you stay up all night  
Fuck me to the daylight  
34+35  
Can you stay up all night  
Fuck me to the daylight  
34+35

You drink it just like water  
You say it taste like Candy  
So what you doing tonight?  
Better say doing you right

So what you doing tonight  
Better say doing you right  
Watching movies  
But i ain't seen a thing tonight

I don't wanna keep you up  
But show me can you keep it up  
Cause then i'll have to keep you up  
Shit maybe i'mma keep you up, boy

I been drinking coffee  
And i been eating healthy  
You know i keep it squeaky  
Saving up my Energy

Can you stay up all night  
Fuck me to the daylight  
34+35  
Can you stay up all night  
Fuck me to the daylight  
34+35

Baby you might need a seatbelt  
When i ride it  
I'mma leave it open  
Like a door  
Come inside it  
Even though i am wifey  
You can bit it like a side chick  
Don't need no side dick, no  
Get neighbors yelling earthquake

4,5 when i make the bed shake  
Put it down heavy evey  
Though it's lightweight

We starte dat midnight  
Go til the sunrise  
Done in the same time  
But who's countings  
He time when we got it for life

I know all your favourite spots  
We can take it from the top  
You such a dream come true , true  
Make that bitch hit snooze

Can you stay up all night  
Fuck me to the daylight  
34+35  
Can you stay up all night  
Fuck me to the daylight  
34+35
