

# Ariana Grande, A Little Bit Of Your Heart

I don't ever ask you  
Where you've been  
And I don't feel the need to  
Know who you're with  
I can't even think straight  
But I can tell  
That you were just with her  
And I'll still be your fool  
I'm a fool for you

Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit of your heart  
Is all I want  
Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit is all I'm asking for

I don't ever tell you  
How I really feel  
'Cause I can't find the words to  
Say what I mean  
Nothing's ever easy  
That's what they say  
I know I'm not your only  
But I'll still be your fool  
'Cause I'm a fool for you

Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit of your heart  
Is all I want  
Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit is all I'm asking for  
Just a little bit

I know I'm not your only  
But at least I'm one  
I heard a little love  
Is better than none

Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit of your heart  
Is all I want  
Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit is all I'm asking for

Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit of your heart  
Is all I want  
Just a little bit of your heart  
Just a little bit of your heart  
Just a little bit is all I'm asking for
