

Ariana Grande, bad idea

[Verse 1]

I've been outta sight
I've been worried 'bout you lately
Runnin' outta time
Wishin' you would come and save me

[Pre-Chorus]

'Cause I don't wanna roll with it
Tryna get control of it
Why can't I let go of it?
Gotta find somebody quickly

[Chorus]

I got a bad idea
How 'bout we take a little bit of time away?
I got a bad idea
Forget about it, yeah, forget about him, yeah
Forget about me
I got a bad idea
Yeah, I'ma call you over here to numb the pain
I got a bad idea
Forget about it, yeah, forget about him, yeah
Forget about me

[Verse 2]

Even though we shouldn't, baby boy, we will
Need somebody, gimme something I can feel
But, boy, don't trip, you know this isn't real
You should know I'm temporary

[Pre-Chorus]

'Cause I'm the one who wrote it
Tryna get control of it
Why can't I let go of it?
Gotta find somebody quickly

[Chorus]

I got a bad idea
How 'bout we take a little bit of time away?
I got a bad idea
Forget about it, yeah, forget about him, yeah
Forget about me
I got a bad idea
Yeah, I'ma call you over here to numb the pain
I got a bad idea
Forget about it, yeah, forget about him, yeah
Forget about me

[Bridge]

Gotta get control of it
Why can't I let go of it?
Wishin' you would come and save me
Yeah, yeah, yeah, yeah, yeah

[Chorus]

I got a bad idea
How 'bout we take a little bit of time away?
I got a bad idea
Forget about it, yeah, forget about him, yeah
Forget about me
I got a bad idea
Yeah, I'ma call you over here to numb the pain
I got a bad idea
Forget about it, yeah, forget about him, yeah

Forget about me, yeah
Forget about it, yeah, forget about him, yeah
Forget about me
Forget about it, yeah, forget about him, yeah
Forget about me

[Outro]
I got a bad idea
How 'bout we take a little bit of time away?
I got a bad idea
Forget about it, yeah, forget about him, yeah
Forget about me
