

# Ariana Grande, breathin

some days, things just take way too much of Energy  
I look up and the whole room's spinning  
you take my care away  
I guess I overcomplicate  
people, tell me medicate

feel my blood running  
swear the sky's falling  
I know that all thighs shit's fabricated  
times goes by and I can't control my mind  
don't know what else to try  
but you tell me every time

just keep breathin'  
and breathin' /3x  
I know I gotta keep, keep on breathing  
/2x

sometimes it's hard to find  
find my way up and though the clouds  
doing it up there can be loud  
you remind me of the time when things weren't so complicated  
all I need it to see your face

feel my blood running  
swear the sky's falling  
I know that all thighs shit's fabricated  
times goes by and I can't control my mind  
don't know what else to try  
but you tell me every time

just keep breathin'  
and breathin' /3x  
I know I gotta keep, keep on breathing
