

Ariana Grande, Dangerous Woman

Don't need permission,
Made my decision to test my limits
Cause it's my business
God as my witness,
Stop what I finished
Don't need no hold up
Taking control of this kind of moment
I'm locked and loaded
Completely focused,
My mind is open

All that you got, skin to skin,
Oh my God
Don't you stop, boy
Something about you makes me feel like a Dangerous woman!
Something about, something about, something about you
Makes me wanna do, do things I shouldn't
Something about, something about, something about you

Nothing to provin' and I'm bulletproof
And know what I'm doing, the way we're movin'
Like introducing us to a new thing
I wanna save that, save it for later
The taste of flavor, cause I'm a taker
Cause I'm a giver,
It's only nature
I live for danger

All that you got, skin to skin,
Oh my God
Don't you stop, boy
Something about you makes me feel like a Dangerous woman!
Something about, something about, something about you
Makes me wanna do, do things I shouldn't
Something about, something about, something about you

I don't wanna be like that
Drag us underneath like that
You know how I'm feeling inside
Something about, something about
I don't wanna be like that
Drag us underneath like that
You know how I'm feeling inside
Something about, something about

Something about you makes me feel like a Dangerous woman!
Something about, something about, something about you
Makes me wanna do, do things I shouldn't
Something about, something about, something about you

I don't wanna be like that
Drag us underneath like that
You know how I'm feeling inside
Something about, something about
I don't wanna be like that
Drag us underneath like that
You know how I'm feeling inside
Something about, something about
