Ariana Grande, Die In Your Arms

Say you love me As much as I love you yeah Would you hurt me baby Could you do it to me yeah Would you lie to me baby Cause the truth hurts so much more Would you do the things that drive me crazy Leave my heart still at the door

Oh, I can't help it I'm just selfish There's no way that I could share you That would break my heart to pieces Honestly the truth is

If I could just die in your arms I wouldn't mind Cause every time you touch me I just die in your arms Oooh, it feels so right So baby baby please don't stop boy

You know, This ain't the first time this has happened to me It's a love sick thing I like serious relationships and uh A girl like me don't stay single for long 'Cause every time my boyfriend and I break up My world is crushed and I'm all alone The love bug crawls right back up and bites me!

Ooh, baby I know loving you ain't easy It sure is worth a try

Ooh, if there is a reason to call me a fool Cause I love too hard Are there any rules baby If this is a lesson Baby teach me to behave Just tell me what I gotta do Just to stay right next to you

Oh, I can't help it I'm just selfish There's no way that I could share you That would break my heart to pieces Honestly the truth is

If I could just die in your arms I wouldn't mind Cause every time you touch me I just die in your arms Oooh, it feels so right So baby baby please don't stop boy

Basically I'm saying here I can't live without my baby Loving you is so damn easy for me yeah Ain't no need for contemplating Promise you won't keep me waiting Tell me baby, I'm all that you need

If I could just die in your arms I wouldn't mind Cause every time you touch me I just die in your arms Oooh, it feels so right So baby baby please don't stop boy

If I could die I'm a make you believe boy I wouldn't mind Ay ay oooh Don't stop baby no no oh It's what you do to me yeah Wooh, no no no no no no Ooo If I could just die Oooh Baby please don't go boy No no no no no no
