I fall asleep crying  
You turn up the tv  
You don't wanna hear me  
One more sleepless night  
Big day in the morning  
So I take my time to self-soothe

I'm too much for you  
So I really gotta do  
The thing I don't wanna do  
No, I don't, don't, don't, don't

I don't wanna fuck with your head  
It's breaking my heart  
To keep breaking yours again (yours again, yours again)  
This situationship has to end  
But I just can't refuse  
I don't wanna break up again, baby (up, up again, up again)

I made it so easy  
Spent so much on therapy

It's breaking my heart  
To keep breaking yours again (yours again, yours again)  
This situationship has to end  
But I just can't refuse  
I don't wanna break up again (up, up again, up again)

We both know it's time  
So we say goodbye  
Just one kiss goodbye  
With tears in our eyes  
Hope you won't, won't regret me  
Hope you'll still think fondly  
Of our little life

I don't wanna fuck with your head  
It's breaking my heart  
To keep breaking yours again (yours again, yours again)  
This situationship has to end  
But I just can't refuse  
I don't wanna break up again, baby (up, up again, up again)

Don't wanna break up again  
I don't wanna, baby  
Situationship has to end  
Know it has to end  
I just can't refuse
