

# Ariana Grande, God is a woman

you, you love it how i move you  
you love it how I touch you, my one  
when all is said and done  
you'll believe God is a woman  
and I, I feel it after midnight  
a feeling that you can't fight, my love  
it lingers when we're done  
you'll believe god is a woman

I don't wanna waste no time  
you ain't got a one track-mind  
have it any way you like  
and I can't tell that  
you know I know how I want it  
ain't nobody else can relates  
boy, I like that you ain;t afraid  
baby lay me down and let's pray  
I'm telling yoy the way I want it  
how I want it

and I can be all the things you told me not to be  
when you try to come for me  
I keep on flourishing  
and he see the universe when I;m in company  
it's all in me

you, you love it how i move you  
you love it how I touch you, my one  
when all is said and done  
you'll believe God is a woman  
and I, I feel it after midnight  
a feeling that you can't fight, my love  
it lingers when we're done  
you'll believe god is a woman

I tell you all the things you should know  
so baby take my hand  
save your soul  
we can make it last  
take it slow  
and I can't tell that  
you know I know how I want it

but you different from the rest  
and boy if you confess you might get blessed  
see if you deerves what comes next  
I;m telling you the way I like it  
how I like it

I keep on flourishing  
and he see the universe when I;m in company  
it's all in me

you, you love it how i move you  
you love it how I touch you, my one  
when all is said and done  
you'll believe God is a woman  
and I, I feel it after midnight  
a feeling that you can't fight, my love  
it lingers when we're done  
you'll believe god is a woman
