

# Ariana Grande, I'm every woman / Vogue

Whatever you want  
Whatever you need  
Anything you want done baby  
I do it naturally  
'Cause I'm every woman (Every woman)  
It's all in me  
It's all in me  
Yeah

Greta Garbo and Monroe  
Dietrich and DiMaggio  
Marlon Brando, Jimmy Dean  
On the cover of a magazine

Grace Kelly, Harlow, Jean  
Picture of a beauty queen  
Gene Kelly, Fred Astaire  
Ginger Rogers, dance on air

They had style, they had grace  
Rita Hayworth gave good face  
Lauren, Katharine, Lana too  
Bette Davis, we love you

Ladies with an attitude  
Fellows that were in the mood  
Don't just stand there, let's get to it  
Strike a pose, there's nothing to it

I'm every woman  
It's all in me  
Anything you want done baby  
I do it naturally  
whoa whoa whoa

I'm every woman  
It's all in me  
I can read your thoughts right now  
Every woman, whoever made ya say...  
whoa whoa whoa  
whoa (oh) whoa (oh) whoa

I can cast a spell  
See, but you can't tell  
Mix a special groove  
Put fire inside of you  
Anytime you feel danger or fear  
Then instantly  
I will appear  
Yeah oh

I'm every woman  
It's all in me  
Anything you want done baby  
I do it naturally  
(Whoa whoa whoa)

I can set your knees  
like playing unto the seas  
I can make a rhyme of confusion in your mind  
And when it comes down to some little flash of love  
I got it, I got it  
I got it, got it, baby baby

I'm every woman  
It's all in me  
Anything you want done baby  
I do it naturally

I'm every woman  
It's all in me  
I can read your thoughts right now  
Every woman, whoever made ya say...  
whoa whoa whoa  
whoa(oh) whoa (oh) whoa

Look around, everywhere you turn is heartache  
It's everywhere that you go (look around)  
You try everything you can to escape  
The pain of life that you know (life that you know)

When all else fails and you long to be  
Something better than you are today  
I know a place where you can get away  
It's called a dance floor, and here's what it's for, so

Come on, vogue  
Let your body move to the music  
(Move to the music)  
Hey, hey, hey  
Come on, vogue  
Let your body go with the flow  
(Go with the flow)  
You know you can do it  
I ain't braggin'  
'Cause I'm the one  
Just ask me  
Oh, it shall be done  
And don't bother  
to compare  
I've got it

Ladies with an attitude  
Fellows that were in the mood  
Don't just stand there, let's get to it  
Strike a pose, there's nothing to it
