

# Ariana Grande, Just Like Magic

Wake up in my bed  
I just wanna have a good day  
Thinking in my head  
Then it happens how it should

12 o'clock I got a team meeting  
Then a meditation at like 1:30  
Then I ride to the studio  
Listening to some shit I wrote

Good karma, my aesthetic  
Keep my conscience clear  
That's why I am so magnetic  
Manifest it, I finessed it  
Take my pen and write some love letters to heaven

Just like magic, just like magic  
Middle finger to my thumb and then I snap it  
Just like magic, I'm attractive  
I get everything I want cause I attract it

Looking at my phone, but I'm trying to disconnect it  
Read a fucking book, I'll be trying to stay connected  
Say it's tricky at the top  
Gotta keep a slim ego for a thick wallet  
Losing friends left and right, but I just send them love and light

Good karma, my aesthetic  
Keep my conscience clear  
That's why I am so magnetic  
Manifest it, I finessed it  
Take my pen and write some love letters to heaven

Just like magic, just like magic  
Middle finger to my thumb and then I snap it  
Just like magic, I'm attractive  
I get everything I want cause I attract it

I don't wanna waste your time on some dumb shit  
Password to your phone, you can miss me with that shit  
Redesign your brain, we gon' make some new habits  
Just like magic (just like magic)  
Just like magic

Just like magic (baby)  
Just like magic (oh)  
Middle finger to my thumb and then I snap it (yeah)  
Just like magic (oh)  
I'm attractive (uh)  
I get everything I want 'cause I attract it  
(Cause I attract it, babe)  
(Mm, mm)  
(Mm, babe, yeah, mm)
