

# Ariana Grande, Listen

Listen, mmm

To the sound from deep within  
It's only beginning to find release  
Oh the time has come for my dreams to be heard  
They will not be pushed aside and turned into your own  
All cause you won't listen

Listen

I am alone at a crossroads  
I'm not at home in my own home  
And I've tried and tried to say what's on my mind  
You should have known  
Oh now I'm done believing you  
You don't know what I'm feeling  
I'm more than what you made of me  
I fought with the voice you gave to me  
But now I gotta find my own

You should have listened

There is someone here inside  
Someone I thought had die so long ago  
Oh I'm screaming out for my dreams to be heard  
They will not be pushed aside or burned into your own  
All cause you won't listen

Listen

I am alone at a crossroads  
I'm not at home in my own home  
And I've tried and tried to say what's on my mind  
You should have known  
Oh now I'm done believing you  
You don't know what I'm feeling  
I'm more than what you made of me  
I fought with the voice you gave to me  
But now I gotta find my own

I don't know where I belong

But I'll be moving on  
If you don't, if you won't  
Oh listen!  
To the song here in my heart  
A melody I started but I will complete  
Oh now I'm done believing you  
You don't know what I'm feeling  
I'm more than what you made of me  
I fought with the voice you gave to me  
But now I gotta find my own
