

# Ariana Grande, Love The Way You Lie (Cover)

On the first page of our story  
The future seemed so bright  
Then this thing turned out so evil  
I don't know why I'm still surprised  
Even angels have their wicked schemes  
And you take that to new extremes  
But you'll always be my hero  
Even though you've lost your mind  
Just gonna stand there and watch me burn  
But that's all right because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's all right because I love the way you lie  
I love the way you lie  
Ohh, I love the way you lie  
Now there's gravel in our voices  
Glass is shattered from the fight  
In this tug of war, you'll always win  
Even when I'm right  
Cause you feed me fables from your head  
With violent words and empty threats  
And it's sick that all these battles  
Are what keeps me satisfied  
Just gonna stand there and watch me burn  
But that's all right because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's all right because I love the way you lie  
I love the way you lie  
Ohh, I love the way you lie  
So maybe I'm a masochist  
I try to run but I don't wanna ever leave  
Til these walls are goin' up  
In smoke with all our memories  
Just gonna stand there and watch me burn  
But that's all right because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's all right because I love the way you lie  
I love the way you lie  
Mmm, I love the way you lie
